

Poway Field Hockey Boosters September 14, 2015 Meeting Minutes

Attendees: Alisa Burr, Lesley Flud, Melinda Patenaude, Jeff Plummer, John Richards, Roger Whitney, Bree Blila

Call to Order

The meeting was called to order at 7:06 p.m.

Senior Night

Senior night plans are in motion and we are looking good! June Plummer is working on the shirts and she has the "OK" to move forward. Lisa Leland will help with posters. Game time adjustments have been suggested to fit the Senior Night schedule and we are awaiting confirmation from Mt. Carmel.

Fundraising

L. Flud updated the group on the progress of the team poster. She will submit the donation list, however it looks good and the girls have done a nice job!

The Snap-raise fundraiser is going well and the team is currently at a 66.7 participation rate. The team could really use just a few more active participants to help us reach our goal! Going forward, the boosters have approved up to \$100 in prizes for the teammates who have done exceptionally well in the Snap-Raise fundraiser. J. Plummer motioned to approve the prize plan and Melinda seconded. The remainder of the board was in favor of approving up to \$100 in to cover the rewards.

Alumni: The idea of e-mailing Poway High alumni through SNAP was a point of discussion. B. Blila created an e-mail address to be used and P. Zemper has volunteered to manage the input.

Action: L. Flud to acquire gift cards for top fundraisers.

PHS Field Hockey will have team fundraiser at Chipotle on December 7th from 5 – 8 p.m. L. Busch will oversee and it will be announced on Peachjar.

Spirit Wear

Hopefully, spirit gear will be in Wednesday of this week.

Uniforms

Gear Bags: New varsity gear bags were distributed at practice on 9/14/15 and the girls were thrilled! The gear bags are to be considered part of their uniform to be taken care of and returned at the end of the season.

L. Flud is in receipt of a quote from Prime Sports for uniforms for next year.

Assuming 24 players:

- Green Jerseys
- White Jerseys
- Skorts
- Black Warm-ups

Total = \$2,799.00

Group discussion: Do we want to pull the trigger before the end of the season? Turnaround time based on availability is 4-5 weeks. Prime Sports can provide a mock-up of the proposed design. The Board decided that we will try to take a vote and get the wheels in motion by the end of the season. The current jerseys are in poor condition and the group agreed that they "need to be replaced!"

GEICO Sponsor Banner

The GEICO sponsor banner has been ordered and should be coming in this week. Thank you to the Richards family for securing GEICO at the Super Titan donor level!

Budget Update

The ASB budget form has been completed.

Action: A. Burr to turn in the ASB Budget Form this week.

Booster Insurance

Insurance for the Boosters to be purchased by J. Richards. Payment method was discussed with A. Burr.

Action: J. Richards update at next meeting.

Website Update

B. Blila showed off the very snazzy sponsor links that people can click on to visit the websites of our team sponsors. The team roster also now links the name of each team member to her picture. There is also a drop box for parents to add pictures. Great job on the website, Bree!

Volunteer Update

The Booster Board continues to look forward to having strong parent support in the coming years. The key position that we need to fill is the Treasurer spot. Please let us know if you have the desire to help out your daughter's team.

Banquet Update

This year's end-of-season banquet will be at the Rancho Bernardo Country Club. At this point in time, we are booked for Thursday, December 10th.

Next Board Meeting: Tuesday 10/13/15 at 5:45 p.m.
