Banquet Update

- This year's end-of-season banquet will be at the Rancho Bernardo Country Club on Thursday, December 10th.
- The Board reviewed the menu choices and everyone is leaning toward Mexican food.
- Coaches are working on a trophy list & we may use Game Day this year
- The board will work with the coaches on recognizing our outstanding athletes and while staying within the budget.

There was a motion regarding the cost for players and family members for the banquet. M. Patenaude moved that player banquet cost would be paid out of fundraiser moneys, so players will attend at no charge. Parents will pay \$25 which is the charge-per-person that we will be paying the Rancho Bernardo Country Club. Motion was passed.

Fundraising

The Snap Raise fund raiser drew to a close on October 6th. The fund raiser netted \$2,062.83 that will go directly to support the team. Two thirds of the team received donations and the Board expressed their gratitude and thank everyone who participated.

The group discussed the possibility of doing Which-Wich fundraiser, but the general consensus was that it sounded like a large amount of work for very little reward.

The Poway High School Field Hockey Poster with supporting sponsors and team schedule is out! Printing was donated by Network Printing and it came out great!

Action: A representative of the Board will send a thank you to Network Printing.

PHS Field Hockey will have team fundraiser at Chipotle on December 7th from 5 – 8 p.m. L. Busch will oversee and it will be announced on Peachjar.

Uniforms

L. Flud presented quotes from Prime Sports for uniforms for next year. L. Flud continues to negotiate in order to work out a good deal on the following:

Assuming 24 players:

- Green Jerseys
- White Jerseys

- Skorts
- Black Warm-ups

The best current bid is \$2,087 + tax for these items, with the skorts added in for free.

The group is almost ready to move forward with an order. The last piece to the puzzle before that is for the team to settle on the jersey design. The board will work with the coaches and will bring back the design for approval before submitting the order. L Flud will request mock-ups of the uniform layout.

Treasurer Update

A. Burr presented the financials. The team is within budget year-to-date and the financials were approved by the board.

Booster Insurance

Insurance for the Boosters to be purchased by J. Richards. Payment method was discussed with A. Burr.

Action: J. Richards update at next meeting.

Volunteer Update

The Booster Board continues to look forward to having strong parent support in the coming years. The key position that we need to fill is the Treasurer spot. Please let us know if you have the desire to help out your daughter's team.

Next Board Meeting: Tuesday 11/10/15 at 5:45 p.m.
